## IRISH MUSIC FUND

---

The Irish Cultural and Heritage Center of Wisconsin (ICHC) is pleased to announce the establishment of the *Tierney Irish Music Fund*. This fund will support bringing high-caliber Irish and Celtic music year round to the ICHC Hallamór Concert Series.

The fund is named for Dick Tierney, founding member of the Irish Cultural and Heritage Center. Dick passed away in 2014. He was a beloved member of the Milwaukee Irish community, known for his big smile and ability to make others happy. Irish music was one of his passions.

Dick was inspired to create the Hallamór Concert Series when the ICHC found a permanent home at the historic Grand Avenue Congregational Church on West Wisconsin Avenue in 1996. The series showcases Irish and Celtic musicians of national and world renown, with performances held in the 400-plus seat Hallamór (or Grand Hall). In his years as entertainment coordinator, Dick booked dozens of performers such as Altan, Brother, Cherish the Ladies, Liz Carroll and John Doyle, Solas, and Tommy Makem. The new *Tierney Irish Music Fund* will be used exclusively for booking talent for the Hallamór Concert Series.

We invite you to help us launch the *Tierney Irish Music Fund* with your contribution. Visit us online at [www.ichc.net](http://www.ichc.net) to view a schedule of entertainers for the upcoming concert series. There is also a link for secure online donations to the fund. Or, use the back of this leaflet for making a donation by mail.

Thank you in advance for helping us share Dick Tierney's energy and passion for the music ... and pay it forward!
