WELCOME BACK!

Corey Webster
President

Irish Cultural and Heritage Center

I know we haven't seen each other in some 18 months or so, but we are here and ready to have you back!

I am happy to report that we survived the pandemic with help from **YOU**, our wonderful suppers, and volunteers.

December is when we kick off the concert series and our entertainment committee has done a **FANTASTIC** job of getting some great artists. Do not miss Rory Makem on December 4TH. Keep an eye out for more concerts to be announced!

Our great volunteers Jeff Shaffer, John Mahony, and Timothy O'Sullivan have made some great improvements to the center that we can not wait to show off. Including a remodeled Shamrock Club Parlor and Quinlan's Pub.

We have launched our new volunteer program this year. If you have a particular skill or just want to lend a hand, we could always use the help! Even though this pandemic has been tough on everyone, if you could please consider donating to our *Giving Tuesday* Campaign on November 30th, I would greatly appreciate it.

We hope that you are excited to get back to live entertainment here during the Hallamór Concert Series and the wonderful craic that makes concerts so enjoyable.

We will talk again soon.

See **YOU** at the **ICHC!!**
