Irish Cultural and Heritage Center

Live Music! I cannot express the excitement we have here at the ICHC for bringing live music back! We have Rory Makem on December 4TH and then Eilleen Ivers on December 19TH. Our entertainment committee has been working so hard to bring you great entertainment. We will be announcing more shows soon!

Have you ever wanted to see a concert at The ICHC for free? Well now you can! Yes, you heard me, **FREE!** Now I know what you're thinking: "Corey, has the pandemic made you so loony? Are you not feeling well?" No, none of that. You can see our concerts for free by volunteering! We need ushers, ticket takers, box office help, bartending. Plus, you will have fun,

make new friends, enjoy a tasty beverage after the show with your newfound friends. Please visit ichc.net/volunteer for more information

Giving Tuesday is coming up. It is an easy way to help support the center. Please visit our Facebook page for more information.

It is also close to the Christmas shopping season. You can help your ICHC when you shop Amazon this holiday season. Go to smile.amazon.com and search for Irish Cultural and Heritage Center Wisconsin. From then on Amazon will donate a portion of your purchases back to the ICHC. It is simple and a great way to celebrate all the love of the Holidays!

2022 will bring our 30th anniversary. To celebrate this amazing milestone, we will have a huge announcement coming soon!

I want to wish you all a Happy Thanksgiving to you and yours!

I am forever thankful for all of you and what we do to make this **YOUR ICHC!**
