Happy February,

I hope you all had a wonderful Holiday Season with family, love, and a good visit from Santa!! It's hard to believe but, we are only a month away from the greatest season of all, THE GREEN SEASON!!!

Here at your ICHC we have been busy making the second half of the 2021-2022 Hallamór Concert Series the most memorable season yet. We are celebrating our 30th Anniversary as an organization with multiple events and a signature drink. We start off with the legendary Dervish on Feb. 26th. Then The High Kings March 9th. The next day, we have a favorite of ours, Socks in the Frying Pan on March 10th. And just announcing,

Cherish the Ladies on March 13th for a matinee show. Don't forget that the Shamrock Club of Wisconsin's Post-Parade Party on March 12th. This will be a fun week leading into St. Patrick's Day. If you haven't had enough fun, we will be welcoming to our center, RUNA on March 26th. We still have more plans in the works!

If you have recovered from March, please join us on April 9th for the talented singer-songwriter, Josh Okeefe. And on April 16th, we are welcoming Milwaukee Irish Fest favorite, The Bryne Brothers. These will be wonderful concerts to close out the season.

We are closely monitoring the COVID-19 guidelines are put forth by the city of Milwaukee and will adjust accordingly with those guidelines. As of right now, there is a mask mandate till March 1st that we will ask our wonderful patrons to follow.

We could not bring you these wonderful shows without the help from our volunteers. If you would like to join our team, please visit: ichc.net/volunteer

I wish you all good health and happiness in the cold days of winter. At least the ICHC has a great way to warm your body and soul with a great concert series in the coming weeks.

As always
